## **A Call to Reimagine Community and Human Flourishing**

### **WHAT IF THINGS COULD BE DIFFERENT?**

What if every person had dignity, purpose, and belonging? What if communities were built on cooperation, not competition? What if we could begin reflecting something better—together?

A NuVo World is a vision for that possibility.

### **WHAT IS A NUVO WORLD?**

A growing movement rooted in faith, compassion, and practical action.

It seeks to build communities where:

- No one is left behind
- Resources are shared with integrity
- People are supported to live meaningful lives

It begins one community at a time.

### **STARTING IN NDG, MONTREAL**

We are beginning in Notre-Dame-de-Grâce (NDG), a community of 67,645 residents.

Here we are developing:

- Local initiatives that restore opportunity
- Community-based support systems
- Life guidance through NuVoWay LifeStyle Coaches

### **HOW YOU CAN HELP**

This is a shared vision.

You can contribute through:

- Your time
- Your skills
- Your resources
- Your ideas

Every contribution matters.

### **JOIN THE MOVEMENT**

If this vision resonates, we invite you to explore it. Talk about it. Share it. Be part of it.

Together, we begin where we are.
